# THE STORY ABOUT SEASONS

One day, the four seasons had a discussion...

# THE STORY ABOUT SEASONS

**Spring** said, “I am when flowers bloom and it is **green** and fresh everywhere. Birds fly and insects have fun with new flowers.”

## THE STORY ABOUT SEASONS

**Summer** said, “Yes, but I am when the **yellow and warm sun** shines brightly and it feels too hot to do anything. People eat ice-cream, enjoy cold drinks and eat yummy watermelon.

# THE STORY ABOUT SEASONS

**Autumn** said, “I am when trees shed their **yellow**, **orange**, **red** and **brown** leaves and cover the earth in **orange** brilliance. The air feels cool.”

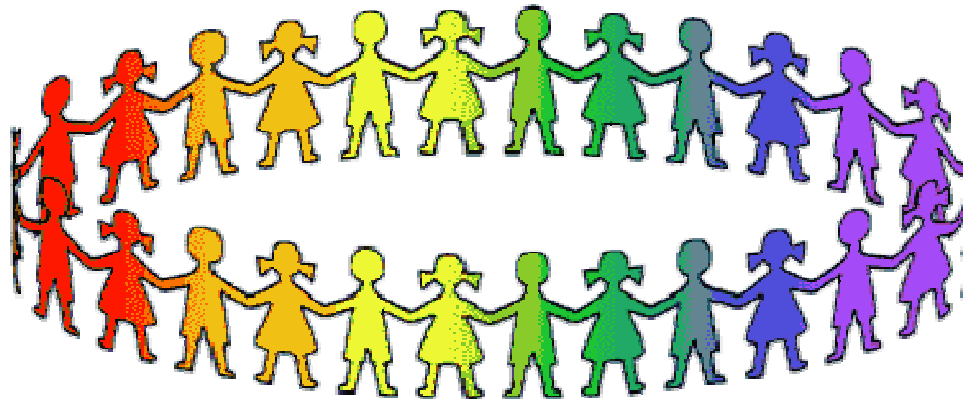

# THE STORY ABOUT SEASONS

**Winter** said, “I am when the **white** snow falls and people wear woolen clothes, caps and gloves to keep their bodies warm. They get to drink hot chocolate in the dark afternoon. Birds fly south for the winter because it’s too cold.”

# THE STORY ABOUT SEASONS

Since they couldn't decide who was best, they agreed that they were all important because one could not do without the other.
