

Name _____ Date _____

W11 p. 1 Created by teacher

Let's go exploring our school garden!

BEFORE THE OBSERVATION

Draw a microhabitat. Then label the things that you think you can find there.

MICROHABITAT: _____

AFTER THE OBSERVATION

Draw the same micro-habitat. Then label the things that you actually found there.

- What is the habitat like?
- Use the words in the box to describe it.

Word box: dry - light - dark - damp - shady

The micro-habitat _____ is _____ and _____.
