

A look at English Art

E Group: landscapes

A. Answer the following questions:

1. What kind of landscapes are there in these pictures? (sea, mountain...)
2. What do these pictures have in common? (nature elements, colours, other things...)
3. What are the differences between these pictures? (nature elements, colours, other things...)
4. What season do you think they represent? Why?
5. Is it possible to know how the weather is?
6. There is a very big shadow in one picture. Why?
7. Do you know any place that looks like one of these paintings?

B. Write a brief explanation of the pictures using the answers and share it with your classmates.

C. Choose one picture and describe what kind of sport or tourist activity you can do in a place like this.
